

**AVAILABLE FOR IMMEDIATE RELEASE**

## **Weekend Box and Safe Families For Children wrap up Christmas partnership**

**Multi-award winning children's activity box subscription company Weekend Box are proud to announce that this year they've partnered with Newcastle-based children's charity Safe Families For Children for their Christmas appeal.**

The partnership means that for every Weekend Box gift subscription bought in the run up to Christmas, Weekend Box will donate an extra box (RRP £8.95) to a family that Safe Families For Children Work with across the North East.

Safe Families for Children were chosen as Weekend Box's charity partner for Christmas 2018 in a poll by Weekend Box customers.

"I'm incredibly proud and privileged to be able to support Safe Families For Children and the amazing work they do not only in the North East but around the whole of the UK." Said Weekend Box Founder, Andy Stephenson.

"Weekend Box was founded to help allow families to enjoy more quality time together through fun and educational activity boxes. When we were thinking about partners this year, Safe Families For Children felt like such a natural choice given our shared aim of supporting stronger families."

"A crisis in a family can lead to challenges which affect many factors, such as a child's emotional wellbeing, education, social isolation and opportunities to engage in activities outside of the home. This time of year can put pressure on families to give out of what they don't have. " Added Sonia Daniel, Senior Family Support Manager at Safe Families For Children.

“Receiving these gifts will make such a difference to the Christmas experience for many children at a time when a loving, happy family home means so much. We are extremely grateful to Weekend Box and all of the supporters that voted for Safe Families for Children and we look forward to sharing the generous donations with the many families receiving support from our volunteers.”

Gift Subscriptions are available from <https://www.weekendboxclub.com/gift-vouchers>, start from just £34.95 and are suitable for children aged 3-8.
