

# Competition Terms & Conditions

## Introduction

All competitions are run by us – that's Weekend Box Club, Suite 1 Adamson House, 65 Westgate Road, Newcastle upon Tyne, NE1 1SG.

1. All good things must come to an end – our competitions end on the closing date we specify, and although we will try not to, we may end or change any of our competitions at any time, even before the closing date.
2. You don't have to buy one of our Weekend Boxes (although of course we'd love you to!) or pay anything to enter any of our competitions.
3. Although we'd love you to enter our competitions, they're sadly not for everyone:-
4. Our competitions are just for grown-ups (boo) – you must be aged over 18 to enter, and we may ask for proof of date of birth.
5. You must be resident here in the UK, and you need to have a residential address here too.
6. We like to keep it real. Any entries which are made by any automated means, or with a false name or address, or which will be disqualified.
7. Some things are best kept at arm's length. If you work for us, or if you're related to us, our competitions aren't for you – sorry!
8. All of our competitions and promotions on Facebook are run by us, and are in no way sponsored, endorsed, administered by, or associated with Facebook. Any information which you provide when you enter one of our competitions is provided to us and not to Facebook.
9. When we run a competition on Facebook or Twitter, we will announce the winner's name by a Facebook post or a tweet. By entering one of our competitions, you are agreeing that you are happy for us to do this.

10. Unless we tell you otherwise, we will select competition winners at random, and our decision is final.
11. If you are a lucky winner, you'll need to send us your name and address within seven working days of our announcement, so make sure you keep checking. The names of our competition winners are available by writing to us at the address above or by email [hello@weekendboxclub.com](mailto:hello@weekendboxclub.com)
12. We know you only enter to win, so we'll send out prizes as quickly as we can. If for some reason we can't send the prize advertised, we'll replace it with something similar. Sorry, but we can't give the cash equivalent, and we can only send the prize to the winning entrant.
